

# AP Co-operative Registrar Society (Guntur)

Andhra Pradesh co-operative and registrar societies bagged into Brihaspathi client list. AP co-operative and registrar societies is a government body which comes into pictures under co-operative credit societies act 10 of 1904. It will monitor the activities of co-operative societies.

We had installed five number cloud based bio-metric devices in the new office premises of AP co-operative societies which is located in the new capital city of Andhra Pradesh i.e, Amaravathi.

The Installed Bio-Metric device are purely cloud based push technologies devices. These device can push the data over internet.

Each device is capable of holding 2000 users and 1,2,000 transactions these devices are integrated with optical DPI sensor which can read a finger print in less than 1sec time.

We had installed a cloud based web application ti monitor the attendance of AP Co-operative societies employees. The application comes with a dashbord feature where the commisnor of AP Co-operative societies can monitor late logins, Early comes, Early goes with case. Here we also provided mobile app to monitor the attendance.
