

Celebrating The Global Spirit Of Reddy Community, Jai Valley Resorts, Nagole, Hyderabad

We had a Great Experience from **Global Reddy Convention** which is held at Jay Valley Resorts on 11th and 12th. We were so happy after getting to know that people are giving enough importance to **Safe and Security kind of Environment**. We felt jubilant for helping many folks in creating a Safety kind of zone and this expo made us to reach more people who are in need of that.

Brihaspathi Technologies Pvt. Ltd., endeavors relentlessly to come out with solutions and products, using contemporary, technologies with superior quality standards and nail defects. We place strong prominence in Research and Development, to give way to the development of new technologies and new products.
