

**One Of The Biggest Project Is Aarvee, Srinagar Colony, Hyderabad**

“It’s a pleasure doing business with you. It’s a wonderful achievement!  
Thanks for choosing **Brihaspathi Technologies**.”

**Aarvee** Company was taken our services. **CCTV Cameras and Biometrics** (Multi Locations, GSM).

Aarvee Associates is a premier, ISO 9001:2008 certified multi-disciplinary engineering consulting company, established in 1989 and based in Hyderabad in India. We have a pan-India presence, with branch offices in New Delhi, Ahmadabad and Bhubaneswar, and project offices in all the major states across the country. We also have a wholly-

owned Australian subsidiary, Aarvee Associates Pty Ltd, based in Brisbane, Queensland.

In addition to over 1,000 successful assignments in India, we have carried out projects in Australia, Bangladesh, Ethiopia, Gabon, Mozambique, Nigeria, South Africa, Sri Lanka, and Uganda. We have worked on projects funded by various international agencies including the World Bank, the Asian Development Bank (ADB), the Department for International Development (DFID), and Japan International Cooperation Agency (JICA).
